

Kansas Judicial Council Bulletin

DECEMBER, 1962

PART 4—THIRTY-SIXTH ANNUAL REPORT

MOTION DAYS 1963

Please Help Us Keep Our Mailing List Up to Date

The JUDICIAL COUNCIL BULLETIN is published at least twice annually and mailed without charge to lawyers, courts, public officials, newspapers and libraries, who are or may be interested in our work. We are glad to add to our mailing list the name of any person who is interested in receiving the BULLETIN regularly. We will also send current numbers to persons making requests for them, and will furnish back numbers so far as available.

In order to save unnecessary printing expenses, we are constantly revising our mailing list, and are attempting to eliminate the names of persons who have died or moved out of the state or who have changed their addresses and are receiving the BULLETIN at the new address.

Please advise promptly if you have changed your address, giving the old address as well as the new. If you do not receive any current BULLETIN and wish to remain on the mailing list, please notify us to that effect. If you are receiving a BULLETIN addressed to some person who has died or moved away, please let us know and we will remove the name from the list.

Address all inquiries to THE JUDICIAL COUNCIL, STATE HOUSE, TOPEKA, KAN.

FOREWORD

Following established practice, this issue of the BULLETIN contains a list of motion days for 1963 in the various district courts of the state, as designated by the district judges.

We take this opportunity to call attention to an error appearing in the tables of statistics contained in the October, 1962, issue of the BULLETIN. On page 59 in Table D-2—Disposition of Criminal Cases—under subtitle “Cases not tried,” for Harper county, the number of cases dismissed was shown as 247, and the number of pleas of guilty as 16. These figures should be corrected so as to show 228 pleas of guilty and 35 cases dismissed.

On November 30 the Advisory Committee appointed by the Kansas Judicial Council presented to the Council its recommendations for the revision of the Kansas Code of Civil Procedure. Meeting with the Judicial Council members to hear the report were Justices of the Supreme Court, the Judiciary Committee of the Legislative Council, and Franklin Corrick and Fred Gulick of the office of Revisor of Statutes.

A few amendments were made to reflect suggestions from those present at the meeting and the Judicial Council unanimously approved the recommendations, as amended, and authorized the presentation of the proposed draft of the new revision of Chapter 60 of the General Statutes in the form of a bill to the 1963 session of the Kansas legislature, with a recommendation that the legislature adopt it.

The work of the revision began thirty-two months ago, in April, 1960. The committee has met on an average of two days each month during that period, usually in Topeka, with Earl H. Hatcher, who has acted as draftsman-reporter for the project. Besides the days spent in meeting in resolving questions of policy and in drafting, the various members of the committee have given many hours of office time to research.

The final draft, as it will be presented to the legislature, is the result of industrious and careful work on the part of the committee, members of the Judicial Council, and many other lawyers and local bar associations who have studied the tentative draft and made suggestions.

Typing of the material in bill form has been under way for some time and it is expected that it will be introduced in the early days of the legislative session.

The subject matter of Estates of Absentees, covered by G. S. 1949, 60-4001 to 4026, has been omitted from the revision and will be included in a separate bill to be incorporated in the Probate Code.

The rules relating to making up the record on appeal and governing procedure in the Supreme Court after an appeal has been lodged are not included in the draft, but will be left to rules to be pronounced by the Supreme Court.

Eminent Domain procedure was a joint project in the drafting stage of the

Judicial Council and Legislative Council. A separate bill will be introduced on that subject, with the thought that if it is adopted it will become a part of Chapter 60 along with the other procedural material.

The advisory committee which directed the project consisted of Emmet A. Blaes of Wichita, Raymond Rice of Lawrence, George Templar of Arkansas City, Leonard Thomas of Kansas City, Kansas, and A. K. Stavely, Assistant Attorney General, of Topeka. Judge Spencer A. Gard of Iola served as chairman of the committee in his capacity as a member of the Judicial Council.
