- (1) The child is placed \_\_\_\_\_, a qualified residential treatment program.

- The request of one or both of the Indian child's parents, if they attest that they have reviewed the placement options, if any, that comply with the order of preference.
- The request of the child, if the child is of sufficient age and capacity to understand the decision that is being made.
- The presence of a sibling attachment that can be maintained only through a particular placement.
- The extraordinary physical, mental, or emotional needs of the Indian child, such as specialized treatment services that may be unavailable in the community where families who meet the placement preferences live.

- i. Treatment or service needs are being or will be met in the qualified residential treatment program. The child is expected to need the treatment or services for \_\_\_\_\_ more months.

  - the child may return home  **immediately**  **with a target date of \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_,  if the following conditions are met:** \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_
  - within 30 days, a new plan for reintegration should be prepared and submitted to the Court with measurable goals, objectives and time frames.
  - the new plan for reintegration shall include a concurrent goal of
    - adoption (consistent with the ICWA adoptive placement preferences).
    - permanent custodianship.
    - placement with a relative.

  - the child is in a stable placement with a relative.
  - either adoption or permanent custodianship might be in the best interests of the child; services set out in the permanency plan necessary for the safe return of the child have been made available to the parent(s) with whom reintegration was planned; the

County/District Attorney or designee shall file a pleading to terminate parental rights or a pleading to establish a permanent custodianship within 30 days; a new plan should be prepared and submitted to the Court with measurable goals, objectives and time frames to achieve

adoption  permanent custodianship.
