Notes on Use

Whenever a child is placed in a (not “the” specific and current placement) qualified residential treatment program (QRTP), the secretary shall notify the court in writing within seven days of placement. Written notice shall also be given to: (1) The petitioner; (2) the attorney for the parents, if any; (3) each parent at the last known address; (4) the Indian Tribe, if any; (5) the child, if 12 or more years of age; (6) the child’s guardian ad litem; (7) any other party or interested party; and (8) the child’s court-appointed special advocate. Within 30 days after a child is placed in a QRTP, any person enumerated above receiving notice may request, in writing, that the court conduct a hearing. If a hearing is requested, the court shall conduct the hearing within 60 days of placement. The court shall give notice of the hearing to all persons enumerated above. K.S.A. 38-2291.

The secretary shall provide to the court in writing an assessment and documentation of the need for placement in a (not “the” specific and current placement) QRTP. Within 60 days after the child is placed in a QRTP, the court shall:

- (1) Consider the assessment and documentation provided by the secretary;
- (2) Determine whether the needs of the child can be met through placement in a foster family home; or, if not, whether placement of the child in a (not “the” specific and current placement) qualified residential treatment program provides the most effective and appropriate level of care for the child in the least restrictive environment and whether that placement is consistent with the short-term and long-term goals for the child as specified in the permanency plan for the child; and
- (3) Approve or disapprove the placement of the child in a QRTP.

K.S.A. 38-2291.

If the court determines that the needs of the child can be met through placement in a foster family home, a QRTP is not the most effective and appropriate level of care for the child in the least restrictive environment, a QRTP is not consistent with the short or long-term goals of the child’s permanency plan, or the court disapproves the placement, the court may require that the child be placed in an alternative placement.
