

319
IN THE DISTRICT COURT OF _____ COUNTY, KANSAS

IN THE MATTER OF

Name _____, Juvenile
Year of Birth _____ A male female

Case No. _____

INFECTIOUS DISEASE ADVISORY

Pursuant to K.S.A. 38-2317

Because it appears from the nature of the charge that the transmission of body fluids from one person to another may have been involved, the Court hereby informs **the juvenile named above or parent of the juvenile** **the alleged victim in the captioned matter or the parent of the alleged victim if that person is a minor**, that testing for HIV or hepatitis B infection and counseling are available.

Judge of the District Court

Authority

K.S.A. 38-2317.

Notes on Use

The judge is required to inform a juvenile, or parent or legal guardian, of the availability of testing for HIV or hepatitis B infection and counseling if the juvenile is charged with an offense involving a sexual act or any offense if the nature of the charge appears to have involved the transmission of body fluids from one person to another. This notice should be given at the time of the first appearance. The judge shall also inform each alleged victim of the offense. If the alleged victim is a minor, the parent shall be notified. The tests contemplated by the statute are HIV and hepatitis B. K.S.A. 38-2317.
