Notes on Use

The victim, or the victim's parent if the victim is a minor, may request that the court order infectious disease tests of the juvenile charged. The court must order testing if so requested, or if the juvenile stated to law enforcement officers that such juvenile has an infectious disease or is infected with an infectious disease, or used words of like effect. The tests contemplated by the statute are HIV and hepatitis B. K.S.A. 38-2317.
